TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Pembroke in the County of Merrimack in said State, qualified to vote in the Town Affairs :

You are hereby notified to meet at the Community House in said Pembroke on Tuesday, the eleventh day of March, next, at nine o'clock in the forenoon, to act upon the following subjects :

1. To choose all necessary Town Officers for the year ensuing.

2. To hear and act upon the report of the Town budget committee.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to charge twenty (20) cents on and after September 1st, 1941 on all unpaid 1941 poll taxes.

5. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes; and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.

6. (By Petition) To see if any money voted for sidewalk, that Three hundred dollars (\$300.00) be laid aside for a sidewalk on Union Street from the Fire Station to High Street.

7. (By Petition) To see if the Town will vote to give the Pembroke, N. H. Police Chief one day off every week with pay.

8. (By Petition) To see if the Town will vote to raise and appropriate the sum of five hundred dollars

(\$500.00) for the building of New asphalt sidewalks on both sides of Kimball Street, leading from Glass Street northerly to Main Street, providing the Town can receive W.P.A. project cooperation. Otherwise, if no W. P. A. project can be obtained, this sum is to be used for building an asphalt sidewalk on the westerly side of Kimball Street only.

9. (By Petition) To see if the Town will raise and appropriate the sum of twenty-five dollars (\$25.00) for a series of band concerts.

10. (By Petition) To see if the Town will raise and appropriate the sum of twenty-five dollars (\$25.00) to help in the care and upkeep of Pembroke Park for the ensuing year.

11. (By Petition) To see if the Town will vote to raise and appropriate two thousand dollars (\$2,000.00) for the hiring and maintaining for one year, a public nurse who shall meet the minimum qualifications of the National Organization of Public Health Nursing of North America.

12. (By Petition) To see if the Town will vote to install and maintain a street light where it would be best suited on Lindy Street.

13. (By Petition) To see if the Town will vote to take over and maintain the hydrants located on the property of The Suncook Industries, Inc.

14. (By Petition) To see if the Town will vote to have a committee of five (5) persons, one from each section of the Town, appointed by the Moderator to make a survey and study for a proposed zoning ordinance and providing for zoning precincts. This committee, after due investigation in accordance with the Zoning Enabling Act (Chapter 42, Public Laws, Sections 48 - 68) to report at two public hearings, said hearings to be advertised in papers having general circulation locally and in at least two public places, fifteen days prior to aforesaid hearing.

15. To hear the reports of auditors, agents and committees, or officers heretofore chosen, and pass any vote relating thereto.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and forty-one.

REPORT OF PEMBROKE FIRE DEPARTMENT

The 1940 report of the Fire Department is herewith submitted.

With the arrival of the new pumping engine, a ladder truck that has been rebuilt caused by the accident, the old pumper having been somewhat overhauled and is in fair running condition, this community can be justly proud of its equipment.

Advice from leading Fire Commissioners and Chiefs who are well versed in fire apparatus and considering the financial background of the company, the Seagrave Company's apparatus was purchased. It is a custom-built truck with the manufacturer supplying all parts which are readily obtainable.

Owing to the fact that the modern trend is for fire apparatus to be painted white for visibility, this was ordered. Likewise the ladder truck and the old pumping engine have been painted the same color.

The New Hampshire Fire Underwriter's test has proven the new pumping engine well above its guarantee, however water conditions on Pembroke Street are such that it leaves the pumper some what at a disadvantage.

Fire and Accident Insurance has been placed on the equipment.

REPORT OF THE FOREST FIRE WARDEN

We have been particularly fortunate in this town since the hurricane in not having had more serious fires. This is due in part to the strictness of our wardens in issuing permits and splendid cooperation on the part of the public. Great care is needed because conditions in our blown-down areas are more critical with down material drying out and becoming more highly inflammable. The continued cooperation of every one is necessary.

We should all remember that:

1. Written permission of the local fire warden to burn brush, rubbish or other debris in or near woodlands or where fire may be communicated to woodlands is necessary when the ground is not covered with snow. Violation of this requirement makes the responsible party liable—

- a. To a fine not to exceed five hundred dollars or imprisonment of not more than one year or both.

- b. To the town for expenses incurred by the warden or deputy warden in attending or extinguishing such fire.

- c. For damages to abutting owners if the fire runs onto the abutters' property.

2. It is a violation of the Forest Laws of the state to—

- a. Drop or throw any lighted match, cigar, cigarette, live ashes or any other substance liable to cause a fire, from any vehicle while the same is upon a public highway or private way.

- b. Drop, throw or otherwise deposit on or near woodlands any lighted match, cigar, cigarette, live ashes or any other substance liable to cause a fire.

Violation of these prohibitions penalizes whoever is found guilty by a fine of \$25.00.

3. You should promptly notify your local warden of any fires you see.

4. The forest laws are being more strictly enforced each year.

Your cooperation will save the warden considerable worry; you and your town much trouble and expense.

The 1940 fire record for our town follows:

Number of fires	13
Acreage burned	9 $\frac{1}{4}$
Number of permits issued	52
*	
State of N. H. Forestry Dept., tools	\$24.33
Salaries for men	124.10
	<hr/>
	\$148.43
Received from State Treasurer	59.62
	<hr/>
	\$88.81

*Eleven of these fires were incendiary. Suspected party has been arrested and is being held for trial.

MARCELLOUS ROWE,
Forest Fire Warden.

AUDITORS REPORT

We have examined the accounts of the Selectmen, Treasurer, Town Clerk, Tax Collector, Library Trustees, Trustees of Trust Funds, Custodians of Cemeteries, and Water Commission and find same correctly cast and properly vouched, and balances on hand, as recorded, in the bank in all cases.

We recommend that, in view of the increase in the duties of the Town Officer, and to enable them to keep more complete records, some steps be taken toward the installation of a simpler and more modern system of accounting.

GEORGE CHICKERING,
HONORE BONENFANT,

Auditors.

All principals and teachers to be on duty at 8:15, a. m.

REPORT OF HEADMASTER OF PEMBROKE ACADEMY

To Mr. George H. Harmon, Superintendent of Schools
Raymond, New Hampshire

This is a report of the progress of Pembroke Academy during my fourth year as Headmaster.

Teaching Staff and Enrollment

The Academy opened its fall session on September 4 with an enrollment of 203 pupils and eight teachers, four of whom were teaching here for the first time. Miss Elaine Nickerson, graduate of Middlebury College, has taught the Foreign Languages, Freshman English, and Girls' Basketball. Miss A. Beryl Sutherland, Graduate of Mt. Holyoke College with her Master's degree from Boston University, has been in charge of Mathematics and Science. Miss Elsie Furlong, Plymouth Teachers' College, has had charge of the Commercial Department, while Mr. Norman Collishaw, Keene Teachers' College, has been in charge of the Industrial Arts Department. Since the opening of school eleven new pupils have entered the Academy making a total of 214. However, nineteen pupils have left school, so that the actual enrollment at present, March 1, is 195.

The distribution of pupils by age and grade follows:

Grade		12-13	13-14	14-15	15-16	16-17	17-18	18-19	19-20	20-21	G.	B.	Total
IX	Girls	2	10	13	12	5					42		67
	Boys		2	11	8	3	1					25	
X	Girls		1	6	13	7	5	1			33		55
	Boys			5	9	6	2					22	
XI	Girls				5	19	4	2			30		46
	Boys					10	4	2				16	
XII	Girls				1	5	14	10			30		46*
	Boys					1	7	6	2			16	
	Girls	2	11	19	31	36	23	13			135		214
	Boys		2	16	17	20	14	8	2			79	
Totals		2	13	35	48	56	37	21	2				214

* This figure includes three post graduates.

These two hundred and fourteen pupils are divided among the following towns: Allenstown 36, Deerfield 3, Epsom 31, Hooksett 21, and Pembroke 123. These same pupils have chosen to major in the following fields or curricula.

	Home Economics		General		Academic		Commercial		Industrial		Boys	Girls	Total
	B	G	B	G	B	G	B	G	B	G	B	G	
Grade IX			3		2		4		16		25		67
	4		8		6		24					42	
Grade X			4		4		5		9		22		55
	7		3		7		16					33

New Hampshire University

NOTE: The statistics issued by the State Department in August showed the median achievement of this class as a whole above the state median in Intelligence rating in English Forms, and also in the Haggerty Reading Examination. Its rating in the English Forms examination was also above the standard norm. Reports received from various College offices show likewise good achievement records.

Note: Statistics for 1941 include only 20 weeks.

EXTRA-CURRICULA ACTIVITIES

Student Activities Association

Each family is asked to pay an annual Student Activities fee of three dollars. Each pupil in the family attending the Academy then receives a membership card which entitles him to admission to four invitation dances during the year, the senior play, the operetta (every

other year), all basketball and baseball games, the Academy News, and allows a discount on all other special activities. This amounts to thirty cents a month, and if a pupil is ambitious and has the right attitude, ways and means can be found to help him earn this at least in part. A start was made this year toward the establishment of a Health Fund. It is planned to use the interest from this fund for health and accident benefits of Academy pupils. Daniel Sullivan of Pembroke was elected President of this Student Activities Association.

Music

Following the release of Mr. Paul Doe to Rochester High School Mrs. Doris Buswell of Andover, N. H. was hired by the Trustees to supervise the Music at the Academy for the coming year. She has met regularly each week and has organized a Girls' Glee Club, a mixed Glee Club and a School Chorus. These groups take part in various entertainment programs during the year, as well as at Graduation and Baccalaureate Service. Some of the pupils are candidates for the all-state chorus. A Musicales is planned for early in May.

Dramatics

In my report of last year I mentioned the necessity for an adjustable backboard at the stage end of the hall to permit more frequent use of the stage. This was done in October and the results have been most gratifying. Under the guidance of Miss Louise Geer two dramatic clubs have been formed, and special groups from these clubs have undertaken such phases of the work as stage management, costuming, lighting, properties and make-up. Her proteges had charge of all make-up in the recent school play. One-act plays have been presented by different groups on nearly every holiday assembly this year. A few one-act plays have been composed by pupils in her English classes. Read Parmenter has been designated as school photographer. All teachers were agreed that informal work of this nature helps materially to develop better speech, clearer enunciation and more mature voices especially among freshman groups.

Prize-Speaking

Under the direction of Mrs. Elizabeth C. Morrill the Austin Memory Prize Speaking Contest was held December 19, 1940. The winners in order were: Sybil Gale, Stella Gagne, Claire Riendeau, Beatrice Graham Graham. In addition each participant received one dollar. The finalists in this contest were selected by elimination—three from each of the four classes. The winner in the comedy group, Claire Riendeau, as well as the winner in the serious group, Sybil Gale, both will represent the Academy at the state contest in Durham in the spring. The Original contest is scheduled for April 3, 1941. On February 20 an all-school cast directed by Mrs. Morrill presented the three-act farce "Growing Up" before a large and appreciative audience. This play netted sixty dollars for the newly established Health Fund.

Athletics

In the 1940-41 basketball season both girls and boys concluded their League schedules winning 10 and losing none. The girls, coached by Miss Elaine Nickerson, had the most successful seasons in years, winning 17 and not losing a single game. The boys' record was 13 won and 4 lost. For the second consecutive year, Mr. Peterson's boys were invited to participate in the State Tournament at Durham where they lost their preliminary game to Peterborough 36-29.

Miss Sutherland has been holding gym classes weekly for pupils not interested especially in basketball. Intramural volley ball, badminton tournament, as well as soft ball are planned for girls when the weather permits. Mr. Collishaw aided Mr. Peterson by coaching freshman team and took this group to Raymond once. Pembroke boys have won the cup five years running and a movement is under way to arrange a Class C schedule and a Class B schedule. Such a move, I believe, will provide more general interest and also keener competition.

Conclusion

The state high school agent, Mr. Russell Leavitt, visited our school in January and reported favorably on

our program. All teachers have made progress this year in the development of the Unit method of motivation. Many teachers are using standard tests in connection with their own courses. Every freshman and all new pupils were given a Terman Mental Ability test and also an Iowa Silent Reading test. We found, as anticipated, that several pupils who made a low record in the intelligence test had definite reading disabilities. The results of the three tests given to seniors by the State Department will not be available until summer. Miss Stella Gagne of Allenstown was chosen by class members and faculty the D.A.R. best citizen in the senior class.

Our project for the future is to obtain visual aid equipment and I am recommending an opaque projector and a moving picture sound machine. In as much as most of our educational films are of the 16 m.m. type, it would seem wise to install this machine. A portable machine would be more serviceable. Such a service necessitates the fitting of the auditorium with dark curtains or portieres.

In conclusion, I want to thank you and the teachers and Trustees of the Academy for your cooperation in our common problems. As the end of my fourth year as headmaster draws near, I feel that each year has evidenced progress over the preceeding one.

Respectfully yours,
JARVIS T. BEAL II
Headmaster

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Pembroke:

My seventh annual report covers a year of numerous changes in the staff of teachers, increased enrollment—particularly in high school, improvement in buildings and equipment, and special activities in music and health.

Having received his degree in education at Keene Teachers College, Mr. Robert L. Hill returned after a half-year leave of absence to resume in September the principalship of the Suncook Grammar School.

Soon after re-election Miss Lois E. Steere was released to teach domestic science in the Nute High School of Milton. Miss Elsie L. McConnell of Bedford and later Mrs. Marion A. Lea of Suncook have been substitute teachers of domestic science classes.

Miss Louise C. Poore of West Newbury, Massachusetts, was elected to succeed at Pembroke Street Miss Anne H. Wojnilowicz who resigned to accept a position in grades three and four in Raymond. Miss Poore was graduated in 1940 from the four-year elementary course at Salem State Teachers College. Her practice teaching was done in the primary and intermediate grades.

Miss Hattie E. Merrill formerly a teacher in Pembroke and more recently in Deerfield, came to the North Pembroke School where Miss Florence B. Allen, now Mrs. Saturley, did for two years very efficient work.

Due to the lack of local funds to equal the sum allotted by the federal government, the Suncook Nursery School was closed in March 1940, and its teachers transferred to other positions.

Since last May, when Miss Isabelle Barnett resigned to accept a full-time position, it has been impossible to obtain a qualified teacher of sewing and cooking for adult classes. Miss Barnett gave valuable instruction and much personal assistance to a group of over thirty women. It is hoped that this type of classes may be resumed another year.

While the enrollment in some of your rural schools has decreased—in one case to ten children and in another to only five—the total school membership has increased.

Pembroke children are distributed as follows:

Public Elementary Schools	218
St. John Baptist Parochial	199
Pembroke Academy	119
<hr/>	
Total	536

The number of Pembroke pupils to be graduated from the Academy in June is approximately thirty. There are twenty-sixth in the Eighth Grade of the public schools. By adding to the public school graduates those from the parochial school who will enter high school, we must anticipate some increase in the number of tuitions payable next year. The per pupil cost for instruction in the Academy last year was slightly less than the per pupil average for high school instruction in the state.

The per pupil cost of elementary schools in Pembroke for 1939-1940 was \$74.21. The corresponding median for the state was \$81.85.

During the summer alterations were made in the number and location of the windows in the Borough schoolhouse which now serves twenty-five pupils. Light is now admitted chiefly from the left. Blackboard area has been improved and increased, new window shades and clock installed, and the classroom and coatroom repainted. This is now one of the best equipped and most attractive schoolrooms in your town.

Tools and other supplies for work in manual training have been provided for the Pembroke Hill School. The pupils have built their own work bench and a well arranged tool cabinet.

The boys of the Buck Street school have built and finished for use in that school an attractive activity table and a set of book shelves.

At the Grammar School new window shades have been placed in two classrooms, and dishes and other kitchen utensils have been added to the facilities for domestic science.

The use of an upright piano, recently presented to the Pembroke Street school, is thoroughly appreciated by the teacher and music supervisor.

Early in May the "Music Frolic", a public program illustrative of the music work in the several grades of the Suncook and Pembroke Street schools was presented. Exceptional interest in this musical feature was developed under the direction of Mrs. Buswell. Through the courtesy of the headmaster and trustees of Pembroke Academy, the "Music Frolic" was held in the auditorium.

A school lunch program, originally sponsored by a group of your teachers and the pupils of the domestic science classes, has developed into an effective nutritional service. Through the Works Progress Administration, two thoroughly competent women are employed to cooperate with the instructor and pupils of the domestic science classes in preparing and serving a hot lunch at noon to a group of more than fifty children. Through the director of surplus commodities we receive for the nutrition of needy children much milk, butter, eggs, bacon, ham, pea beans, rice, white and graham flour, apples, grapefruit, raisins, and canned peaches. Wherever surplus commodities are used, it is required that all children be served alike. Those who are able to pay the cost of their lunch, either in money or in food materials, are required to do so. Particularly in times of national defense, resistance to disease becomes a prime object of correct nutrition in home and school.

Of twenty-three pupils graduated from the Eighth Grade last June, twenty-one entered high schools or similar institutions. Two are employed in industry. Those who have enabled this group to continue in school or to find occupations, more or less in the field of individual interests or public need, are contributors to the welfare of the individual and of the community.

After its homes and its schools the first line of American defense leads into its industries. The cooperation of every citizen, interested in these institutions, is needed and appreciated.

Respectfully submitted,
 GEORGE H. HARMON,
Superintendent of Schools.

February 27, 1941.
